testicles. Since I have stretched my ligs
by hanging, I have about an inch and a
half of new shaft area at my base.
However, my scrotum position hasn't
changed. I need to get it stretched at
least a couple of inches since now that I
have more length, part of my sac goes
into the vagina during intercourse. I'm
thinking of trying the ball stretcher rings.

I have three questions regarding this: 1) is this bad (in terms of health, ejaculation problems, sterility problems, etc.) 2) what can I do to stop them from hanging even lower. When your balls hang out the leg of your shorts and you are not even aware of it. This commonly occurs when you lean back and put your legs up, while in a seated position and you're rockin short, loose-fitting bottoms, i.e., short shorts or short swim trunks. Being stoned helps, too. Make sure you're grounded and balanced, adjusting your stance as necessary to accommodate the hanging status of your testicles. Anchor yourself with your free hand.
