The Living Force was the energy of all life. By feeding into the Cosmic Force, the Living Force created and grew the Force, binding the galaxy together. The Force was the fundamental unity that underpinned all of creation which contained and held in balance dualities such as life and death and light and dark, while also transcending them. Beyond its dualities, the Force had two complementary. Eating is primal, Kara. That's why people make such a big deal out of where they sit, who with, and what they eat. The term gavage ( UK : / ' g æ v ə : 3 , g æ ' v ə : 3 / , [2] [3] US : / g ə ' v ə : 3 / , [3] [4] French: [gavaʒ] ) refers to supplying a substance by means of a small plastic feeding tube passed through the nose ( nasogastric ) or mouth (orogastric) into the stomach. The ever-growing pudge gets slightly obscured during **feeding**; especially on smaller furs, but that might be just me. (And some occasionally "blegh" eyesight) As for characters, Maggilla (Fight N' Jokes ©Nasty Bros.) could definitely use more exposure on this site. **Force-feeding** itself is a difficult task, whether it be poison to an enemy or antidote to a spy who is trying to poison themselves. Typically, it requires the target being
